Manufacturer Provided Description

The Nordic Tug 32 is a fuel efficient cruising vessel featuring classic Nordic Tug styling. She is built in the USA and is equipped with a standard 280 Volvo diesel engine. As with all Nordic Tugs, the 32 has a semi-displacement hull built with hand-laid heavily reinforced fiberglass with full keel and hard chine, giving her exceptional stability and handling qualities. This very popular cruising vessel features a roomy salon/galley and separate pilothouse with a 360 degree view and 6'8" headroom. Forward is a spacious stateroom with head and large separate stall shower. The roomy salon has a large settee that converts into an oversized double berth.
