Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Apocalypse "0" Offered at A Terrific Price!

Fiberglass Hatteras 44' Triple Cabin MY

**1st Place Winner at 2008 Wooden Boat & Classic Boat Festival
2nd Place Winner in the 2010 Wooden Boat & Classic Boat Festival
2nd Place Winner in the 2013 Wooden Boat & Classic Boat Festival**

If ever I walked onto a boat and fell in love ~ This is it!!!! So, will you! She is spacious giving much privacy to those aboard and is built of reinforced fiberglass. THIS COULD BE A GREAT LIVE ABOARD! Spacious enough to give about every need for you and your family. Can accommodate three couples in comfort with complete privacy. Main salon is 16' x 10'8" with view to the outside.

In 2003, the bottom had the "gel coat peel" down to the fiberglass where they used a moisture meter getting moisture down below a ten then applied EPOXY to the bottom. The boat's last haul out and bottom job was May 2014. She was still in great shape on the bottom so she's good to go for several years.

The Generator was changed out in 2002 and has less than 300 hours.

This is a documented boat and she is also registered with the State of Louisiana.

She comes with twin 853 diesels, an 8kw Onan generator, 3 staterooms, 2 heads with showers, full galley and main salon. She offers a lot of storage and the v-berth closet is shelved and used as a pantry. The aft deck is enclosed & provides an enormous amount of seating area for entertaining. The wood ceilings throughout are beautifully done and the fabrics used on the sofa match the cornice board in the main salon.

She has two a/c units that were changed out in 2006. The Isinglass is in excellent shape and only a few years old.

The 100-gallon holding tank also has a Macerator. She holds 570 gallons of diesel and 250 gallons of water.

Steering system is Hydraulic Model H-301.

The beautiful interior ceiling is ¾" X 8 foot Pine Tongue & Groove with ¾" foam insulation. (this replaces a previous headliner that had no insulation).

New Refrigerator

Marquipt Boarding Stairs

In addition, there is an inflatable dinghy with 5hp Nissan motor & Dock Box included.

Detroit Diesel 8V53 Engines

These engines were standard equipment for this particular model back in 1967. These engines start right up and are ready to cruise.

Exclusions

Owner's personal belongings.

Disclaimer

The Company offers the details of this vessel or yacht in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his representatives, agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel or yacht is offered subject to prior sale, price change, or withdrawal without notice.
