SPECIFICATIONS

Overview

As I walked down the dock to see this Blackfin Combi for the first time, it quickly struck me how beautiful the Blackfin is. It is a boaters-boat, a Gentlemans yacht and the type of yacht that will turn heads on any water way and in any marina. From the immaculate paint and high gloss brightwork she will truly impress. There is NOTHING to apologize for on this vessel!

Basic Information

Category: Sport Fisherman

Sub Category: Sport Fisherman

Model Year: 1989

Year Built: 1988

Country: United States

Registration #: 949419

Fly Bridge: Yes

- VHF
- CHART PLOTTERS -RAYMARINE
- RADAR OPEN ARRAY RAYMARINE
- AUTOPILOT RAYMARINE
- AIR CONDITIONING - (ON SHORE POWER)

Remarks

Blackfin boats are highly regarded among brokers and owners alike for their rugged, traditional construction, (Blackfin still hasn't introduced a cored hull in any of their models), excellent styling, and good resale values. Blackfin has turned out a succession of popular tournament -level fishing boats over the years. It's notable that all Blackfin models are built on deep-V hulls--- a factor that has much to do with their popularity among experienced offshore anglers. Blackfins have always been priced at the upper end of the market and generally appeal to knowledgeable buyers looking for a heavily built rough water boat.

Right Stuff 3 was repowered with Yanmar diesels in 2009. Well maintained at only 661

hours she is ready to fish! The fuel tank was replaced in 2019 with 264 gallon capacity. She was just waxed and buffed, newer eisenglass, with the upper station on the tower you'll be able to spot the birds for miles.

She is lying in Sebastian just minutes from the inlet. If you need a courtesy showing, simply ask!

Exclusions

Owner's personal belongings.
