DETAILED INFORMATION

Wauquiez Pilot Saloon 55

The yacht is in the condition as if she is a new one. She has had only one owner and with careful maintenance. Her list of equipment includes a lot. Such features of Pilothouse yachts as elegancy, quality, and safety, in combination with good windage, are ingenerated to Wauquiez Pilot Saloon 55.

The sailing yacht Pilot Saloon 55 project by Wauquiez is based on successful experience with the prior deck saloon model concept. The sailing yacht Pilot Saloon 55 is well equipped, she is marked by luxury and prestige.

Pilot Saloon 55 has an arch in the cockpit for a bimini tent, speakers, and cockpit lighting. Two electrical winches allow controlling the yacht from both helms. Tackle has entered the cockpit through dedicated channels under the deck and brought-out onto the coamings, the deck is smooth-faced and safe. A simple but effective system of automated staysail installed on Pilot Saloon 55 makes yacht navigation easy by just one crew member.

Pilot Saloon 55 offers a 360° panoramic sea view from the saloon, and it does not matter whether you sit at the dining table at the starboard side or on the skipper's chair at the port. Interior living space is thought out through every detail. The huge owner's cabin is arranged in the stern. Two guest cabins with en-suite heads are in the bow area. A convenient U-shaped galley provides maximum comfort with a lot of space for foodstuffs.

Pilot Saloon 55 is fully equipped to satisfy her owner to the maximum extend. The vast capacity of water and fuel tanks, as well as a lot of lockers for personal belongings and foodstuff, says in favor of this.

Bow thruster, electric winches, generator, and other equipment are installed at the yacht.

Exclusions

Owner's personal belongings.
