SPECIFICATIONS

Overview

M/Y Performance 1501 is an offshore yacht that is unparalleled. She impresses with exclusive equipment, generous living spaces and the power of three engines with up to 2,000 hp. Her layout is fully customizable; an open room concept or several cabins are possible. Complete individualization is available when it comes to the choice of motors, equipment, design, materials and colours. Her elaborate hull construction and three high-performance engines ranging from 430 to 600 hp accelerate 1501 up to 63 knots. Two comfortable cabins with king-size berths, a fully equipped galley, two additional saloon berths and en-suite facilities offer space for up to six guests. Her cockpit is designed to meet the highest safety and comfort standards at high speed, even in rough seas. A large transom with a swimming ladder and freshwater shower enables easy access to the water. Every hull is handcrafted and individually designed to your needs and wishes.
