Overview

Accommodations SOUTHERLY'S layout is the desirable two-stateroom two-head with twin athwartship berths in the guest stateroom. This SX model boasts a high gloss interior throughout the interior of the boat. The interior is climate controlled by reverse-cycle AC units and has top quality stainless steel opening window ports for added ventilation. The owners have chosen to protect the beautiful teak and holly cabin sole with NEW custom-fitted carpet. Walking below, the large U-shaped GALLEY is to port and can accommodate for distance cruising with two large refrigerator units and an optional top access freezer. A convection microwave oven is above the counter. Outboard is a 3-burner electric cooktop surrounded by stainless rails for cooking while underway or in a busy harbor. Just forward and below the cooktop is deep storage for large pots, pans, and utensils. Facing forward in the galley is a Large stainless steel sink with more storage above and below the counter.
