Engines: 2

Manufacturer: MTU

DETAILED INFORMATION

INDIGO STAR I (Overview)

The 38m Indigo Star I was built by Siar & Moschini in 1995 and is presented for sale in fantastic condition following an extensive 2018 refit.

This tri-deck motor yacht boasts a stylish and carefully considered interior design, which optimises the use of space to provide multiple seating and lounge areas. In the main saloon there are two deep-cushioned L-shaped sofas, a coffee table with armchairs to the port side and a glass-topped dining table. A second, less formal, lounge on her bridge deck has direct access to an aft dining area via full height glass doors.

There is accommodation for 10 guests in five suites, with the cabin configuration comprising a master stateroom, three guest doubles and one twin. The master suite is located on the main deck and benefits from an owner's study as well as a spacious en suite with a spa bath. The interior cabinetry has a dark gloss wood finish and upholstery in neutral tones gives the look a crisp, fresh finish.

Indigo Star I's deck spaces are geared towards socialising, with a large seating area and dining table for 10 on the upper deck and an expanse of cushioned sun pads on the sun deck. She carries a Zodiac RIB tender, with a 100HP Yamaha engine and there is plenty of space for additional water toys.

Indigo Star is an extremely capable and seaworthy vessel, with a top speed of 16 knots and a cruising speed of 14 knots. Stabilisers ensure maximum comfort when underway and at anchor, and she is ideal for family use. The yacht is MLC compliant and has enjoyed a busy charter operation in recent years, which could be easily continued by a new owner.

Exclusions

Owner's personal belongings.

Disclaimer

The Company offers the details of this vessel or yacht in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his representatives, agents, or his surveyors, to investigate such details as the buyer desires validated.
