DETAILED INFORMATION

Bar Harbor 39 - Custom New Build

JUNE 2021 ~ This Bar Harbor 39 is a Spencer Lincoln design, originally laid up by Wesmac Boats. It was partially finished, but not completed by the first owner. As an incomplete build, it was acquired by West Bay Boats, where it is stored inside presently, awaiting a new owner. The price listed, is the price of the hull as she currently sits. As a buyer, you can take her to your personal builder to finish, or specify your detail requirement for West Bay Boats to complete for you. The engine compartment is set up for a Cummins QSM11 or QSB7, which will provide an easy 20k cruise, and open up to about 24kts. The interior pics shown are of an identical model. You may choose your interior decor, and specify materials, of course. She's available anytime for your inspection. Thank you!

NEW BUILD OPPORTUNITY

July 2021 - This is a unique opportunity to acquire a hull/house ready to finish to your specifications. The Bar Harbor 39 is a Spencer Lincoln design, constructed by Wesmac Custom Boats, and finished to this degree by another Downeast builder. The original owner, with \$430k into the boat, experienced a reversal of fortune, resulting in an unexpected loss of the boat. West Bay Boats in Stueben Maine, acquired it, and is prepared to finish for you. On the other hand, you are welcome to truck the boat to a finisher of your choice. We'll be glad to assist in any way possible. Thank you!
