## Overview

Accommodations You will board the Post either over the cockpit gunwale or through the transom door into a huge cockpit with a cabin door midship. Entering the salon you will first notice the spaciousness. An icemaker that needs a little work is to starboard. Continuing forward on the starboard side is an L-shaped dinette with a hi-gloss table. To port is an L-shaped sofa and hi-gloss cocktail table. The cabin headliner is Ultraleather with recessed LED lighting. The 31" Samsung TV is mounted forward of the dinette. The galley is one step down on the port side. Continue forward to the master stateroom with queen walk around berth to starboard and ensuite head with a Raritan Atlantes electric head, stall shower and vanity with sink. There are cedar-lined hanging lockers and drawers and full carpeting. All the way forward is the guest cabin with large over/under crossing berths, hanging lockers, drawers and an overhead hatch. **Broker's Comments** This a true classic. Post has a great reputation for fishing machines. She is a nice big boat that is very comfortable in a seaway. This boat is undergoing renovation and still has some items yet to be done. She is certainly "coming along" with a fresh new bottom job, new carpeting, and recent electronics. There's still time to "make her yours". This boat is priced right so call to set up a viewing.
