Broker's Comments

This is a very nice Donzi ZSF. Extremely nice. She can fish, cruise on overnights, or entertain with ease. Those 900 horses will get you to and from the fishing grounds so

you have more time for comfortable cruising. This boat is clean and just "feels good". She is big enough to take on some rough water, and yet has great creature comforts for fun boating. She's priced right, and just had full service done on her engines. Contact us to make an appointment to view this nice Donzi.
