Overview

1977 Viking 35 Convertible diesel "Blue Eyes" We are pleased to present this 1977 Viking 35 diesel! She is a great boat, and with some minor upgrading inside, such as carpeting, one could restore her to her former glory. Very minimal money to upgrade her interior. She is a traditional Viking with all of the great features that made Vikings so popular. Vikings are very stable on the water and have a great cruising range. With two spacious cabins and a large salon/dining area, she has plenty of living space. Up on top, there is plenty of space for entertaining. She is a great boat to do the "Great Loop" or to winter on in the Bahamas! Easy enough to handle for a day of fishing offshore as well. Overall, she is sound. Come take a look, use your imagination, and own a legend!
