DETAILED INFORMATION

Description

2006 Grady White Express with 2012 Yamaha 300's

The PowerBoat Guide calls the Grady-White 330 Express a "gold-plated express" and a "solid performer in all conditions."

The boat rides a C. Raymond Hunt Associates deep-vee hull known as the SeaV2. With its tall bow and ample flare, the hull is intended for fishing in coastal and offshore waters. Fishing equipment includes an oversize transom fishbox, a 45-gallon live well, a full rigging station that includes a sink, and numerous rocket launchers and rod holders.

The deck layout includes aft-facing seats, a centerline helm station with a pop-up electronics console and companion seating. Below, the boat can sleep two in the V-berth forward (convertible to a dinette) and two in the handy two-person midcabin berth. There's a compact galley with a stovetop and a fully equipped, enclosed head.

Other amenities include an entertainment center, air conditioning and a teak-and-holly cabin sole.

Top speed is 42 mph with a pair of 300-hp outboards. Cruising Speed is a comfortable 32 mph.

- Furuno Electronics-GPS/Radar
- VHF Radio
- Air Conditioned Cabin
- Full Entertainment Center
- Yamaha 300's
- Large Transom Fish Box
- Rigged and Plumbed for a Generator
- Front and side Isinglass need to be replaced

Come look at her now!

Overview

Broker's Comments

2006 Grady White 33 Express with Twin 300 Yamaha Four Strokes What can I say? She's a Grady! Classic Lines, large cockpit, great creature comforts for overnight trips. Easily gets to the Bahamas and back again. She boasts all of the Grady fishability and has a ton of room. This is a great all around boat for just about any water activity. She is in good shape. She could use a coat of bottom paint and an electronics upgrade. Having said that, everything is in working condition and has been taken care of and maintained. The 300 Yamaha's bring a great deal of value to the boat. Originally this boat was under powered when it had the 225 or the 250's. The 300's solve that problem and have proven themselves as a very reliable engine! Please note there is no generator. The wiring and the plumbing are there for an easy install. Also, the front and side isenglass is gone and some of the inside cabin cushions need to be reupholstered. Call for an exclusive showing.

Exclusions

Owner's personal belongings.

Disclaimer
