Manufacturer DescriptionThe 215LR sport deck model is a wide-body boat that offers more cockpit space than traditional boats of the same length. Its wider stance allows for easy-entry bow and stern companionway entrances. The bow entry begins with a slide-out boarding ladder, which allows room for an accessible anchor locker and fender storage compartment. These items tuck neatly away below a non-skid lid. Also in the bow is a large cooler with overboard drain; its lid, also non-skid, doubles as a step when closed.
Broker's CommentsThis is a clean Stingray with lots of extra canvas. She has not been in the water since having a complete annual service. Freshly Detailed and Ready for her new owner

Exclusions

Owner's personal belongings.
