Broker's Comments

This is a very nice Dusky 233.

These boats are tanks, and this one is real clean. No bottom paint and great gel coat. This is a comfortable boat that will take you to the fish, but also take you to the sandbar later in the day. This is a great family boat, too. Dusky boats have a nice high freeboard for safety and comfort. The motors are spic and span. This boat is ready to go, and she shows it as she has gone through some very serious upgrading with a replacement motor and major maintenance performed. She is a perfect boat for the waters of the Treasure Coast, and there is a nice trailer included.
