## Description

---

The Venture 34 Open is truly in a class of its own and very well respected among serious fishing circles. From the practical layout to the fine details she stands apart from the pack. All eyes gravitate to the hull's sleek lines whether it's pulling up to the dock or comfortably running past other boats in heavy conditions. The highly efficient hull design and 300-gallon fuel capacity enables you to reach those far away destinations with ease. The Venture 34 is a very capable no nonsense center console intended for serious fishing or family boating with confidence. She has seating at the helm, forward of the console and transom. A large head compartment with large opening door, marine toilet and holding tank is in the console.
