SPECIFICATIONS

Overview

The 43M FAST HT motor yacht perfectly combines the Fast Yachts brand tradition with the new 2022 Baglietto Fast style. Francesco Paszkowski has designed the motor yacht's streamlined, sleek and powerful lines. The hardtop provides a shaded area on the flybridge, while the shortened superstructure allows space for a comfortable sunbed area on the main deck aft with two fold-down side terraces that open onto the sea. Two side terraces are also part of the spacious owner's suite, including an exclusive and private owner's area featuring a dressing room. Plenty of natural light is granted by the two skylights in the upper deck.

The spacious accommodation area is provided for up to 10 guests in the lower deck, and it includes two VIP staterooms and two guests staterooms with twins and pullman beds. A huge galley and very comfortable crew quarters with crew mess are located forward on this deck.

A fold-down swim platform hosting a beach club and lounge area is located aft. The 43.65 m motor yacht is powered by 2 MTU engines 12V4000 allowing a comfortable cruising speed of 24 knots and a maximum speed of 26 knots.

The 2022 Baglietto Fast 43 HT motor yacht is currently under construction and available for sale with delivery in 20 months.
