SPECIFICATIONS

Overview

We are glad to announce the sale of the New Princess X95 (in stock). She is located in Plymouth, UK and ready for delivery in March 2021. This is the perfect option to get ready for upcoming boating season.

Characterised by beautifully sculpted surfaces and long flowing lines, the X95 defines a striking design language for this new Class. Both her flybridge and main deck cover almost the full length of the yacht, delivering expansive spaces with flexibility that enables you to define each journey around your guests' preferences. With a fuel capacity of 13,400 litres, the X95 has the range for far-reaching, adventurous voyages.

Experience space akin to a megayacht as you enter her main deck saloon and witness a line of sight right through to the forward window. Ascend the internal staircase to the upper deck and another unique experience awaits a fully enclosed and climate controlled Sky Lounge.

Taking pride of place on her lower deck is the full beam Master Stateroom with en suite, complemented by her Forward Stateroom with walk-in wardrobe and en suite bathroom. Additional port and starboard guest cabins can each be configured with two single beds or one double bed, whilst generous crew quarters complete her extensive accommodation.

For co-brokerage please contact Denis Khamzatov at +7 921 886 07 92.

Nord Star Yachting is the official dealer of Princess Yachts in NW Russia.
