Remarks

VERY RARE OPPORTUNITY TO PURCHASE A ONE OF A KIND FEADSHIP! Without question "Patriot" represents the finest sportfish on the market today! Considered a "Gentleman's Sport Yacht," "Patriot" is a versatile and stunning yacht that has been incredibly refit by a very experienced yachtsman and Captain. Traditional with timeless elegance, this Feadship is the

perfect addition to any fleet. "Patriot" is sure to stand out anywhere with her flawless styling, quality construction, and incredible performance.

Over \$10m was invested in the extensive refit completed at Derecktor's Florida. Unmistakably the owner has created an absolute work of art. Combining a perfect harmony of performance, comfort, and sophistication. This Feadship is sure to satisfy even the most discerning guests! Take advantage of the owner's decision to downsize his current fleet of yachts.

Refits

Purchased in 2005 by a well known yachting family. The owner and Captain completed a 15 month refit at Derecktor's Florida. This extensive refit included removing the house and gutting the interior to the aluminum frames. The goal was to create an ergonomic, safe, extremely quiet and state of the art "One Off" Gentleman's Sport Yacht. Refurbished from the hull up, there isn't a detail that was missed. Honeycombed backed wood to keep the weight down, hull dampening, deck insulators and extra sound proofing make this beauty extremely quiet while underway, with sound decible readings that are unmatched by an sportfish on the market today! Excellent performance with the installation of new 12V2000 MTU's giving her speeds up to 26 knots. Every piece of equipment was removed and replaced with new state of the art technology including Zero Speed Stabilization. The concept and end result being nothing short of amazing.

Able to provide the absolute best in Sport Fishing or Day Cruising.

Patriot has benefitted from proud owners and additional yard periods, in 2015/2016 and other in 2019/2020. In 2015/2016 she received a new coat of paint on her top-sides and a full vessel systems checkup, before going back in the water. Her current owner has continued to add and upgrade many notable features to PATRIOT, not just aesthetically, but functionally too. One notable item is the settee you see as you enter the Main Salon to the starboard side. You will also note the countersunk granite countertop on the island that match the settee table top. While relaxing in the cockpit you can enjoy some cover from the sun under custom shade sails affixed to 4 removable stainless steel poles.

Another of the many custom features the current owner had fabricated are the removable boarding steps with a sturdy handrail from the dock to the cockpit, making arriving or leaving unchallenging. These are just some of the upgrades she has benefitted from. A detailed list is available providing comfort that PATRIOT has continued to receive the attention and care she deserves.
