## Overview

---

Sessa Marine is an Italian boat builder founded in **1958**, and the 2020 F 420 FLY is the result of the evolution of its 60 years of nautical history.

The exterior lines are a statement to the forward-looking motion of Italian design; the interior use of space and the quality of the materials used are second to none.

This unit is powered by 2 reliable and easy to operate diesel engines, D-8 IPS 600 by Volvo Penta, for a total of 1200 HP with warranty coverage until 2025.

The owner, who rarely is in Miami, has enjoyed this vessel for only 120 engine hours.
