Overview

Azimut Yachts has been stealing the hearts of yacht owners with a keen sense of contemporary style since its inception. Seemingly always the front runner is aesthetic design and look, Azimut tends to set the bar in that field. With the 70 Azimut Sea Jet creation, they nailed it in terms of looks and layout, and features and delivered something truly remarkable. The 70 offers 4 staterooms, 4 heads, and a private crew while delivering a stand-up engine room, tender garage, and stairs to access the master stateroom. This 70 has been continually upgraded and loved on by her owners and features tons of new systems listed below. What are you waiting for? Get out on the water and enjoy life aboard this oasis on the sea for a fraction of the cost of a new yacht.
