## Vessel Description

---

### NEW IN THE MARKET!

#### PRELIMINARY LISTING - MORE INFORMATION & PHOTOS TO COME

Take the helm and the variable geometry of the deep-V hull assuredly translates any surge of power into taut handling. Enjoy a spirited dash across the ocean in this V60 Princess – a paradox of responsive power and exclusive luxury. The elegant lines of This 2020 V60 Princess encapsulate an expansive and sociable cockpit arrangement with a generous seating area and a fully equipped wet bar with a barbecue. When at anchor, her electro-hydraulic bathing platform creates a convenient launch system for a tender, a jet ski, or simply a secluded swimming platform. With a MAN V8 1200 engine taking you up to 38 knots, she is an altogether adventurous craft. Forward on her main deck, a retractable sunroof reveals the skies above at the touch of a button. Her sociable galley aft arrangement features an open-plan dining area with sliding doors and a fully opening window leading out to the cockpit. Below deck, six guests are comfortably accommodated across an en suite full-beam owner's stateroom and two further guest cabins with the option of an additional crew cabin aft.
