SPECIFICATIONS

Overview

Introducing the Nor'Sea 27 - Blue water, center cockpit cruiser

Rare, Capable, Classic yet Modern

Unique find in that the restoration is top notch and to original spec

Repowered Yanmar with only 1000hrs

Fresh bottom paint, and ready to truck anywhere you need it.

It's rare to find a boat that has had as much attention to detail recently as this Nor'Sea 27. She's in as good of shape as she was the day she was launched. What I love about this boat is the simplicity of it's design and systems. yet it has enough room and separate sleeping cabin to withstand months on the go. Everything is laid out for ease of inspection and access. The very rugged and capable hull with full keel and fully protected prop with a enclosed skeg hung rudder, means you are going to handle weather. However, at only 8000lbs displacement, you'll be no slug.

Who might be the buyer of this boat? There are a handful of these niche style boats - built for solo sailors or couples, looking to cross the Atlantic - or the Pacific - head to the Fiji - or even circumnavigate. But, they are looking for simplicity in the design and systems, not just capability.

Also high on your list may be a Pacific Seacraft 27, Fuji 35, Westsail 32, Ericsson 27 or Shannon 28 for similar reasons.

- Yanmar Diesel added 2008, approx 1000hrs
- Complete Records
- Auto-pilot
- Full Winter Cover
- Duchman Mainsail Flaking System
- Newer Genoa and Cruising Spin
- Private Aft Cabin
- Achilles 9' Dinghy and Yamaha 4hp Outboard

Listing is in development - more info coming
