## Galeon 280 Fly

---

Stepping on board Galeon 280 FLY, you see a small swimming platform, which is covered with a practical synthetic teak, as well as the cockpit, flybridge and steps.

The bright, cozy salon features a dining area with a TV and a comfortable galley with everything needed. Large windows in the salon allow wonderful views.

The lower deck, being quite small, has two separate cabins and a bathroom. Another highlight of the 280 FLY is the power plant - a Volvo Penta D6 310hp on the sterndrive, which makes it possible to walk in shallow waters. 1100 engine hours.

The flybridge features sun loungers and a functional helm station.
