SPECIFICATIONS

Overview

The Mainship, Habeas III is well cared for and recently updated MKIII Trawler. The current owner fitted her out for the loop but those plans have changed. The 200 hp Perkins has low hrs, new intercooler and new transmission. This model has the sought after door in the transom for easy boarding. The 5kw genset provide full amenities at anchor or under weigh. Habeas III has new HVAC, the latest electronics and auto pilot. She is currently in the yard getting the bottom done and is ready for cruising this spring. Please click Full Specs for details on all the features.

DETAILED INFORMATION

MAIN DESCRIPTION

The Mainship, Habeas III is well cared for and recently updated MKIII Trawler. The current owner fitted her out for the loop but those plans have changed. The 200 hp Perkins has low hrs, new intercooler and new transmission. This model has the sought after door in the transom for easy boarding. The 5kw genset provide full amenities at anchor or under weigh. Habeas III has new HVAC, the latest electronics and auto pilot. She is currently in the yard getting the bottom done and is ready for cruising this spring. Please click Full Specs for details on all the features.

Accommodations

Habeas III has a Galley down layout. The spacious Salon has a panoramic view. There is a new futon to starboard, cabinets and helm to port with room for additional chairs. The Helm has a new hydraulic seat, full controls and instrumentation.

The Galley has ample counter space and plenty of storage. There is a 2 burner Origo alcohol stove, microwave oven and under counter refrigerator.

Habeas has a separate shower in the head with folding glass door. The forward cabin has a convertible V-berth with storage below shelves and 2 hanging lockers. All of the interior is in great shape.

Additional Information

Habeas III has been very well maintained and recently upgraded for a Great Loop journey which was canceled. The original Gel-Coat is in good shape and all exterior wood work is freshly varnished. The new Ray Marine Axiom network includes Chart plotter, speed, depth and auto-pilot, with provisions for future commercial 3d imaging/side-looking sonar and wireless radar. All functions can be displayed and controlled from your tablet or phone.
