UPGRADED ONAN 9KW GENERATOR JUST OVERHAULED - ENGINES CUMMINS SERVICED - INTERIOR and UPHOLSTERY REWORKED

It's extremely rare that a Sea Ray comes on to the market this soon after the completion of a major refit bringing her back to like-new condition. These Sea Rays are extremely popular, you get the powerful Cummins Diesel engines and a massive interior for a 45' motor yacht. This year the 420 opted to switch to the aft cabin with a private enclosure giving you two private staterooms.

The 420 is a very comfortable yacht underway too, with their massive cockpits allowing you to lounge as the miles fly by. Or, sit comfortably at anchor, with ample settees and wrap around seating to sit and have evening cocktails or dinner in a covered setting. She has nearly every single available option at build - even the oversized Onan 9kw Gen and little things like built in vac.

These luxury sport yachts are in high demand due to their no longer being built by Sea Ray. This is a great opportunity to get a fantastic and rare yacht, with nice room and a great turn of speed (32kt max/25kt cruise)
