## Overview

---

The 50 Convertible reaches powerfully toward the distant horizon with standard twin diesel engines, attaining speeds her handsome streamlined exterior suggests. Captains and guests relish the experience beneath a standard hardtop, on a bridge organized for efficient piloting and comfort. With 6'5" of headroom and rubberized diamond-plate flooring, the 50 Convertible's sound-dampened engine room is indicative of the yacht's "hidden assets". Warmed by glossy and satin-finished cherry wood, the salon on the 50 Convertible possesses a sprawling sofa with rod storage and recliner, and a sophisticated entertainment center. The dinette area has a roomy settee bracketing a burl and cherry wood table. The large galley is furnished with modern appliances and Corian countertops. On the lower deck of the 50 Convertible, the luxury continues ? in an uncommonly large portside master, a forward guest stateroom, and a third stateroom with over/under berths. All accommodations are enhanced by generous storage and amenities. Two private heads with stall showers complete the layout onboard the 50 Convertible, giving her with the largest interior volume in her class.
