Overview

"Las Marias" A Beautiful Sea Ray 420 Sedan Bridge for Sale

Up for sale is this stunning one of a kind Sea Ray 420 Sedan Bridge.

If you are familiar with the Sea Ray 42 Sedan Bridge layout, you will notice the aft deck space is very minimal and comes with a small table for no more than two people.

This boat has been modified to remove the aft transom box and in turn, an extra two feet of platform were added, making the overall length of the boat nearly 48 feet.

These modifications allow for much more entertainment space with a dining area that welcomes eight people. It has the aft deck space of a 70-foot boat in a 42 Sea Ray.

The aft staple rail is removable and allows a jet ski or dinghy to be brought aboard via a winch. The washer and dryer have been removed and an extra water tank was added in their place, allowing for week long trips to the Bahamas or your desired destination.

Her Cummins Diesel engines have been meticulously maintained with all services up to date.
