DETAILED INFORMATION

INTRODUCTION

Designed and built as a ketch, L'EQUIPE has the reduced rig height that permits cruising the U.S. Intercoastal Waterway, making her unique to her breed. L'EQUIPE has had just two ownerships since new and has been kept in truly top-notch condition. In 2004-05 she underwent a comprehensive refit which included new sails, a new generator and wiring, along with Awlgrip for the topsides, deck and spars and more. L'EQUIPE awaits her next owner to enjoy her and all that makes the famed Little Harbor 53 one of the most exceptional sailing yachts ever.

ACCOMMODATIONS

Three staterooms, two heads with stall showers in a rich teak interior.

Beginning forward is a large fo'c'sle with hand tools, power tools, spares, and a paint locker. Also stored here are covers for all exterior varnish. This area is accessible both from the interior and the deck.

Next aft is the guest head and shower followed by two GUEST CABINS, each with over/under berths.

The MAIN SALOON offers a circular seating area to starboard around a teak table. Opposite to port is a settee/berth.

The three Lexan hull ports on either side of the saloon, as well as numerous hatches and opening ports, make this area bright and airy. A built-in 20-bottle wine locker is located under the Nav Station.

The GALLEY is aft of the saloon on port and is walk-through to the aft cabin.

Galley Equipment includes:

- Grunert refrigeration and freezers, each with a compressor, 110v AC
- Frigoboat 12 volt refrigeration unit (fitted into Grunert units)
- Separate refrigeration/freezer in the bar area
- 4-burner stainless steel propane stove with oven
- Stainless double sinks
- Microwave oven
- Toaster oven
- Tremendous storage
- Built-in trash container

The NAV STATION is located adjacent to the companionway and to starboard. The navigation

desk is full size, has storage within, full instrumentation and ease of access to electrical panels.

The MASTER HEAD is aft with marble countertops, a separate stall shower, and new electric toilet (2018).

The MASTER STATEROOM is aft with oversized berths to port and starboard with a small settee between. Cedar lined hanging lockers, numerous drawers and bookshelves.

As with all Little Harbors, "L' EQUIPE" offers the highest quality teak joinerwork, teak and holly cabin soles and excellent storage.

DECK AND HULL CONSTRUCTION

On the deck, there is a spacious and comfortable midship cockpit with coaming, and a passageway by the helm for ease of access from the deck. A huge lazarette aft serves as a great storage area, while a separate locker houses two 20 lb. propane tanks. Centerboard configuration offer minimum draft of 5'-8" with board up and maximum draft of 11' with board down.

- Hand-laid fiberglass hull with Airex foam core construction
- Molded-in fiberglass fuel and water tanks and centerboard trunk
- Internal cast lead ballast
- Hand-laid fiberglass deck with Divinycell core construction and 5/8" teak overlay
- Varnished teak exterior trim with highest quality stainless steel portlights, hatches and cowl ventilators
- Hull finish is Dark Blue Awlgrip
- Deck house is White, and the coach roof non-skid is Sand
- Varnished teak rubrail with stainless steel striker
- Bottom is epoxy coated
