SPECIFICATIONS

Overview

Be prepared to be impressed! This particular V68 is an EMERALD EDITION with numerous selected options, custom features, and professionally decorated interior by the JQB team. With comfort and ease of operation a priority, it features Zero-Speed stabilizers, bow and stern thrusters, wireless docking controls, and automatic trim tabs. The stunning interior features horizontal grain Walnut (60% gloss) and high gloss fumed Figure Eucalyptus.

Abundant large yacht features ingeniously fitted within a manageable owner/operator framework – this is the cornerstone of the new Horizon V68 motoryacht model. The V68 has been planned throughout with spacious accommodations, wide side decks, and a voluminous interior on a 19'6" beam that takes advantage of large windows in the main deck and cabins. She offers a flexible three or four stateroom layout, with optional crew quarters aft, as well as various configurations for all three decks including open and enclosed bridge. The V68's plumb bow design – a striking feature from Stimson Yachts' hull design – allows for a longer waterline and reduces drag at lower, displacement speeds; the larger hull beam also makes for greater stability when it counts most. Ideal for first or families and owner/operators, the Horizon V68 luxury motoryacht provides the qualities of a superyacht – safety, solid architecture, ease of operation, and customization – all in under 73 feet.

Basic Information

Category: Motor Yacht

Sub Category: Flybridge

Model Year: 2019

Year Built: 2019

Country: United States

Fly Bridge: Yes

Dimensions

LOA: 68' 0" (20.73m)

- Recycle bin and pull-out pantry
- (15) drawers and (3) storage lockers
- Stemware glass cabinet with Lucaris crystal martini and wine glasses
- Opposite the galley are the interior stairs to the flybridge

Appliances

- Jenn-Air 23.7 Cu Ft Refrigerator (Ice & Water in door)
- Jenn-Air Induction 30" Cook top
- Jenn-Air overhead Stainless Steel hood vent
- Jenn-Air 30" Oven
- Jenn-Air Trash Compactor
- GE Microwave Oven
- GE Disposal
- Bosch Dishwasher
- Sub Zero Wine Cooler
- U Line Refrigerator/Icemaker on Flybridge

- Propane BBQ on Flybridge
- U Line Ice Maker in Salon
- GE Washer & Dryer in lower companionway

Master Stateroom

- Double door entrance from companionway
- King size bed
- Upgraded Innerspring mattress
- Headboard
- Upgrade nightstand countertops to granite
- Large windows port and starboard with portlights
- Walk-in cedar-lined closet
- Vanity table with seat
- Fully equipped head & shower
- Built-in Safe
- GE Washer/Dryer located in cabinet in foyer

Custom Master Head

Large stall shower with bench seat

Toilet room

Granite counter with sink

Large window with sliding mirror in front

Heated marble floor

Custom designed 8mm tempered "smart glass" sliding doors (electrically select clear or cloudy).

VIP Stateroom - Forward

- Queen size bed with drawer storage below plus bed frame is hinged to expose a fully finished large storage area.
- Upgraded Innerspring mattress
- Custom Headboard
- Two portlights w/ screens plus two windows
- Overhead hatch
- (2) Cedar-lined Hanging lockers
- Fully equipped ensuite head & shower

Guest Stateroom - Starboard

- Manual sliding bed (converts to single berths to a double berth)
- Deluxe Foam mattresses
- Headboard
- Portlight w/ screen plus window
- Hanging locker
- Two single berths with cabinet & two reading lights
- Fully equipped head & shower

Guest Heads

- Upgraded Granite countertops
- Upgraded shower wall to marble in guest baths (Master, VIP & Guest)
- Upgraded Heated marble floor (Not including shower floors)
- Porcelain sink for each head
- Non-slip FRP floor in all shower rooms
- GROHE bathroom faucets & shower
- Towel bar, towel ring, cup holder, and toilet brush for all heads
- Mirror for each head
- Exhaust blower for each shower room
- Wood walls in all heads.
- Seamless FRP finish in all showers
- Clear glass shower door w/ S/S handle for shower room
- Portlights

Entertainment Package

- KVH HD7 High Definition SAT TV Antenna
- Salon LCD 50" TV w/ Bose lifestyle home entertainment system and separate Blu-ray disc player
- Master stateroom LCD 40" TV (hinged to rotate at berth) w/ Fusion marine DVD stereo and SM speakers
- VIP stateroom LCD 32" TV w/ Fusion marine DVD stereo and SM speakers
- Guest stateroom LCD 24" TV w/ Fusion marine DVD stereo and SM speakers
- Aft deck Fusion marine stereo and SM speakers
- Forward deck SM speaker to share music from after deck stereo
- Flybridge Fusion marine stereo and SM speakers
- Removable TV for the flybridge bar, aft deck bar, and beach club

Beach Club

The V68 has a Custom built Beach Club never before seen on a 68' Yacht. This design was

taken from mega-yachts whereby the entire transom lifts hydraulically to expose the "beach club" or "man cave" with:

- Air conditioning and heat
- U-Line Refrigerator/Ice Maker
- L-Shaped sofa with Sunbrella material
- Bar with sink & storage

Swim Platform Area

- Hi/Low hydraulic swim platform (lift capacity 700 kgs = 1543 lbs)
- Water tight door from swim platform to aft quarters
- 2" removable S/S rails on swim platform
- Manual S/S swim ladder
- Built-in shower with hot/cold water

Aft Deck Area

- Aft deck seating w/ drink holders
- Aft deck fixed height teak dining table in high gloss varnish
- Comfortable stairs from aft deck to F/B
- S/S handrails on aft deck stairs
- Boarding gates on port & starboard sides
- Teak deck
- Access to Salon bar with window up
- Aft deck bar counter with removable TV and (2) bar stools
- Stern docking lights (2)
- Overhead Stereo speakers
- Emergency hatch to Beach Club
- Large Bi-Fold stainless frame door to salon

Forward Deck Area

- Maxwell VWC3500C Windlass
- 154lb Stainless Anchor
- 300' of 3/8" anchor chain
- Fresh & salt water washdowns
- Chain counter on Flybridge
- Settee with Corian table & seating for 10
- Stereo Speakers
- Sunpad on forward deck w/ drink holders, pop up LED lights

- (2) Large storage lockers port and starboard
- Forward deck seat w/ backrest
- Storage below lounge for all cushions

Flybridge and Boat Deck

- Two Stidd helm chairs
- Dinette to starboard with adjustable Hi-Gloss teak table
- Forward backrest edge of dinette flips to convert to a forward facing seat
- Day head to port
- Custom bar to port with Sink, refrigerator/ice maker
- Custom cabinet with Dupont Corian countertop & propane BBQ
- Removable 24" TV at the bar
- Air conditioning and heating plus windshield defrost
- Hydraulic Steelhead ES1500 davit
- Hardtop with custom four sided enclosure by Canvas Supply
- Removable Infinity vinyl flooring
- Removable 2" stainless railings around aft boat deck

Tender

13' Walker Bay Generation 400 DLX 2019

Engine: 2019 Yamaha 50

- 30 engine hours
- 50 hp

Options added by owner:

- Garmin Chartplotter/Fishfinder - also displays all engine gauges
- Two chrome recessed Rod Holders
- Scotty Downrigger, removable mounts
- Keel guard
- Lifting harness
- Towing eyes
- Tender cover
- Yacht mounting chocks (aluminum)

Flybridge Helm Station and Electronics Package

- (2) Garmin 22" HD Displays - Glass Helm displays with touch control

- Garmin 8000 Series Black Box System
- Garmin 12kW Radar
- Garmin GHC 20 Auto Pilot
- Garmin AIS & GPS (integrated with chart plotter and VHF)
- Garmin 210 VHF
- Garmin GXM 53 SiriusXM weather antenna
- Garmin GSD 25 Sounder module
- Garmin GMI 20 Multi-display (Depth, speed, temp)
- (2) Garmin Marina Cameras (engine room and aft deck)
- Windlass and searchlight controls
- Ritchie compass
- CAT digital displays
- Electronic engine controls and bow/stern thruster controls
- Hydrotab revolutionary trim tab system with auto-trim

Exterior Deck and Equipment Fitting

- Upgraded Teak main deck
- Side door from Pilothouse to side deck
- Maxwell VC2200 electric rope capstan on aft deck (x2)
- Underwater Lights (4) Color: Blue
- Hi/Low swim platform at stern (lift capacity 700 kgs = 1543 lbs)
- One hand held wireless Yacht Controller
- 2 Custom barstools for aft deck bar
- Non-skid flybridge decks
- Teak deck on aft deck, swim platform & stair steps
- Heavy-duty S/S #316 2 handrail w/ 1-1/4 stanchions
- S/S flag pole on bow rail
- S/S flag pole at stern
- Cover for fuel/water inlets in recessed boxes
- Flybridge tinted acrylic windshield with FRP frame
- FRP cap rail
- S/S rub rail around hull deck joint
- Yacht Controller wireless system
- Vertical hydraulic anchor winch "MAXWELL VWC3500C"
- 70 kg S/S anchor (x1)
- Upgrade ACCO chain length from 200' to 300'
- S/S rollers and chain stopper
- One chain counter on F/B station
- S/S 2 pieces manual foldable sliding door for main salon
- Deckhouse side entrance door (x1)
- Frameless windows, tinted tempered safety glass
- S/S portholes w/ screens

- S/S frame hatch on flybridge stair opening
- One escape hatch w/ screen in VIP
- S/S Horizon logo transom gates from aft deck to swim platform

Engine Room and Equipment

- Hydraulic Bow thruster (ABT 25HP)
- Hydraulic Stern Thruster (ABT 25HP)
- ABT Zero Speed Stabilizer (250/7.5x)
- Engine room designed with white finish and aluminum embossed plate
- Sound & heat insulated material in bulkheads and ceiling
- S/S overhead grab rail on each side of engine
- Engine room DC LED lights
- Engine compartment blowers (AC & DC)
- LED backing lights for fuel sight gauge & fuel filters
- Custom stainless steel shields for the exhaust blankets

Electrical System General

- Color-coded wiring for easy identification
- BEP battery switch
- Main electric panel includes AC & DC circuit breakers
- Italian VIMAR switches for lighting switches & receptacles
- AC volt duplex receptacles located throughout including engine room
- GFI protection for all AC outlets in exterior, heads, galley, and engine room
- 24 volt DC monitoring
- Electrolysis bonding system
- Two zinc anodes on transom

SHORE POWER SYSTEM:

- Glendinning shore power cable master 50Amp w/100' power cord at port transom
- 50 Amp ISO transformer (2)
- Extra 50 Amp shorepower Inlet with switch at foredeck

AC/DC Main Power System

- Upgraded (2) 20kW Northern Lights generators
- Upgraded (2) 3000 watt inverters
- 24V DC to 12V DC step down 40A transformer
- One 60A battery charger for engine & generator start up batteries
- One 80A battery charger with control panel for service batteries

- Select switch for AC power supply
- (4) AGM service batteries
- (4) AGM engine/genset batteries
- **C Zone System**

The C Zone system allows you to monitor and control systems on the boat from the control pad or your mobile device. It controls the generators, navigation lights, bilge and sump pumps and engine room blowers. It monitors fuel & water tank levels and has a low level alarm to alert you. It monitors batteries for voltage and amps. It also monitors overload alarms for generators and shore power. Horizon has built into the aft deck lighting that shows the status of shore power and charging systems.

Fuel and Lube System

- Aluminum fuel tanks w/ heavy-duty sight gauges & self-closing control valve
- Dual RACOR 75/1000MA fuel filters/water separator, each engine
- RACOR 500MA fuels filter on generator
- Oil changes pump system for engine, gears & generator

Sanitary System

- 120 gallon holding tank w/macerator pump
- 40 gallon holding tank w/macerator pump
- Electric level indicators for holding tank
- Y valve for holding tank dockside pump out
- Electric flush toilet in each head
- Sump pumps for drains overboard

Bilge Water System

- Electric RULE bilge pumps (x4)
- Two-level high water bilge alarm
- Manual bilge pump in engine room
- One bilge exhaust blower

Fire Safety System

One SEAFIRE automatic/manual fire extinguisher for engine room with panel in helm station

Propulsion/ Steering System

- Electric power steering system

- S/S AQUA TECH #22 HS shafts
- High performance 4 blade propellers
- Shaft and rudder packing glands with maintenance free TIDES seals or equivalent
- Main and intermediate bronze struts w/ backing plates
- Emergency device of steering
- S/S rudder w/zinc plates
- Hydro Tab trim tabs with indicators

Plumbing

- Pre-wire and plumb for water maker
- Headhunter Mach 5 water pressure pump
- Headhunter XRS124 water pressure pump (backup)
- Flojet salt water wash down
- (2) Torrid hot water heaters (30 Gallon)
- Hot water re-circulation pump
- Fresh & Saltwater wash downs for anchor chain
- Planus Arctic Plus Heads (4) 3 staterooms & Flybridge
- S/S water tanks
- Fresh water charcoal filters in main supply pipe
- Marine grade lines and color-coded piping for fresh water system
- Fresh water hose for filling engine and generator expansion tank
- Aft fresh water deck washes

Mechanical

- ABT Zero Speed Stabilizers w/7.5X fins
- ABT 25 HP Hydraulic Bow Thruster
- ABT 25 HP Hydraulic Stern Thruster
- Docking Master Wireless engine & thruster controls
- Seafire automatic fire system
- Marine-Air Chilled water air conditioning
- Marine-Air air condition & heat for flybridge
- Groco Oil changing system (eng., Trans & gen sets)
- Dual Racor 75/1000MA fuel filters for engines
- Dual Racor 500 MA fuel filters for generators
- Hydro (auto) Trim Tabs
- Tides rudder & shaft seals

Hull and Main Structure

- White gelcoat finish for hull above water line, exterior deck, furniture, and superstructure
- High density foam cored construction bottom and topsides
- Hull is built with licensed process SCRIMP™ for improved strength and less weight
- One-piece hull lamination and longitudinal girders
- Main engine girders with high density foam coring
- Deck & superstructure foam cored reinforcement for rigidity
- International anti-fouling bottom paint w/ anti- osmosis treatment
- Height Measurements: 25' (top of anchor light), 23'4" (top of SAT dome), 21' 3" (top of arch on top of hardtop)

Special Model Notes

These specifications are for this 2019 Emerald Edition.

There are (8) layout options to choose from ranging from Open Bridge or Skylounge, Lower helm or Country galley, Master head forward or Master head port side.

For specific requests, a galley aft arrangement is also available.

Customization is also available when selecting the interior wood and granite/marble finishes.

Exclusions

Owner's personal belongings.
