DETAILED INFORMATION

Galeon 500 FLY

Named the European Powerboat of the Year 2016 and recipient of several other accolades including the IBI Boat Builders Award, it proved once and for all that it belongs in the upper echelon of luxury crafts worldwide.

Choose between a full-sized garage with a sun pad on top, a classic L-shaped sofa and crew cabin setup or the innovative roto-seat option that includes a compact garage. All three layouts will let you take full advantage of the unique Beach Mode option that extends the width of the cockpit to a stunning six meters by dropping down both the port and starboard sides.

The bow rest area comes with a transformable seating arrangement quickly altered into a proper sundeck if needed. Select the optional, soft top bimini for extra protection. Up top, the sizable flybridge comes fitted with a wet bar, sundecks and a second helm station for easy manoeuvring. With two different garage options and a powerful hydraulic bath platform you can choose between a variety of engaging water paraphernalia.

A bright interior of the saloon is fitted with leisure and dining areas as well as a functional helm station with great visibility.
