DETAILED INFORMATION

Galeon 680 FLY

On board 680, passengers will find incredible volume, a bright and welcoming interior and a highly customizable, luxurious finish. A saloon with four power panoramic windows, a wide cockpit door, a sunroof and a skipper's exit all combine to place a large open space at guests' disposal, to allow for that intimate touch with nature.

The class's largest flybridge offers a "Smart Layout" with a bar and recreation space for a dozen or so guests. The bow area is offered in two different layouts: with an assortment of multifunctional power sofas and tables or a classic sundeck with a large sofa.

A selection of powerful engines and a comprehensive list of additional equipment will allow future owners to create their perfect yacht that will turn heads in amazement and become a benchmark for others to follow. Galeon 680 Flybridge combines all the best aspects of classic style and modern approach.
