DETAILED INFORMATION

Galeon 700 SKY

The striking exterior presence and its dynamic profile are staples of the SKYDECK design philosophy which allows for integrating the top deck without compromising the sporty design of the model.

Make it even more functional with a lightweight carbon bimini top option for even better protection from the elements. Passengers will surely enjoy the wide side decks that allow safe access to the bow leisure area which will slide open with a touch of a button. Notice the glass sunroof above the helm station and large glass panels both port and starboard side that will quickly retract, opening up the whole saloon. The top deck is fitted with twin sport seats, wet bar and a generous seating area.

Come on board the 700 to experience the finest selection of materials and bespoke interior design options, meticulously finished by the best and most experienced Galeon craftsman. The layout of the main deck allows for two separate zones, with leisure and dining areas moved forward. Guests will appreciate the privacy of the dual staircases that give access to two separate sleeping areas down below. Four cabins and three bathrooms await, all with ample head-room and plenty of storage space.

A choice selection of powerful engines and top of the line navigational equipment along with a comprehensive list of additional options will allow you to fully realize the yacht's potential. Come on board of the new 700 SKYDECK and experience the future first hand!
