SPECIFICATIONS

Overview

The 438 Evolution boasts a helm with a pop-up console equipped with the latest flat-screen electronics while an optional power sunroof overlooks wraparound club-style seating that inspires comfortable interaction. During the day, the state-of-the-art accommodations in the cabin are flooded with natural sunlight aboard this one of a kind sport yacht. The 438 Evolution is one very powerful, innovative and luxurious yacht.

The optional integrated folding rear seat is comfortable and convenient. It easily folds away and disappears when it's time to fight some fish in the aft cockpit.

Port and Starboard aft above deck storage or optional rigged baitwells with windows makes fishing this aft cockpit more convenient and roomy by not stealing valuable cockpit space. Mechanical access hatches to all transom rigging, pumps, etc. Large access to the generator for easy maintenance. Access to foam insulated fish box/storage. Integrated steps for easy bow access. Optional integrated electric grill w/sink and storage cabinet. Large, portside L-shaped lounge seating elevated for improved visibility from the bridge deck area with additional storage underneath.

Aft facing seat w/storage drawers in the side or optional refrigerator or icemaker. The Ocean Elite helm seat w/flip up racing bolsters and footrests.
