SPECIFICATIONS

Overview

The TARGA 46 is the flag ship of the Targa range being the largest and most powerful to date and delivers a true seafarers experience. Meticulously designed and built to go to sea, with solid teak features throughout, very safe access to all areas with high teak rails, impressive aft space and side decks with a well-appointed flybridge.

The main saloon and dinette area offers plenty of space and light with ample storage and outfitting and comfortable lounge areas. Forward of the bridge, there is a private owners double cabin ensuite, with small single berth in addition, and aft there is a separate VIP guest double cabin ensuite with another small single berth. In total accommodation to sleep 6 guests. Air-conditioning throughout, this yacht is capable of operating in both north European and the Mediterranean waters.

Access to the flybridge from the aft deck can easily accommodate six persons comfortably and equipped with a folding bimini top for hot climates.

The engine space is designed with the utmost elegance and access provided by twin large damper pistons deck hatches to the twin Volvo Penta IPS 650 stern drive units, generator, equipment systems and tanks providing a clean and ergonomic engine space. The performance is a healthy 37 knots controlled by joystick at the helm and flybridge or standard twin engine controls.

This 2021 delivered boat is a true delight and presents as-new in a turnkey ready to go condition for the new season, whether it be for the experienced yacht owner or someone new to yachting, this yacht will impress on all accounts and will certainly stands out from the rest in terms of performance and robustness.
