SPECIFICATIONS

Overview

The 1995 Sea Ray Express Bridge with hard top is one of the most popular and sought after of all the Sea Ray models! This vessel boasts a great layout for both living and entertaining, whether you are located in the salon, fly bridge or cockpit areas.

The full width interior salon allows the creation of a wide open expanse for entertaining inside in air conditioned or heated comfort. There are 2 staterooms to accommodate 4 adults in comfort, each having it's own head and TV. The large salon area also has a dinette and table that can also lower to make a huge third sleeping area! Included in this area are a custom molded counter top, breakfast bar with built in blender, concealed glass and bottle storage, microwave, stove, coffee maker and can opener. Upper and lower cabinets allow for ample storage.

On the fly bridge you will be pleasantly surprised to find a vast area for relaxation, entertaining as well as the helm control station. This area easily allows 8 adults to spread out and enjoy the view. A center walk through allows easy and safe access to the forward deck for docking or to enjoy the twin sun pads!

The aft cockpit area is accessed by one of two transom access points located port and starboard. You will also find a built in fish box and live well for those that wish to pursue the bounties of the sea! There are also additional storage lockers as well as access to the machinery spaces located below through a hatch in the floor.

Basic Information

Category: Motor Yacht

Sub Category: Flybridge
