SALESMAN'S REMARKS

The windshield opens hydraulically and can be lowered to allow for the breeze to keep

you cool, raised if there is spray and lowered at night to reduce glare. This boat is great for fishing or cruising and you can bring a lot of people comfortably. The bow area has a table that lowers electronically to convert to a sun lounge (with the cushions) or a fishing platform (without). This is one luxurious family fishing boat. All service and maintenance is up to date. This boat has been kept in dry storage and is in great shape.
