Hull Designer: Vripack

Exterior Designer: Vripack

Interior Designer: Vripack

Engine Information

Engines: 2

Manufacturer: Volvo Penta

Model: IPS 700

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

A Dutch Masterpiece

The Waterdream 52' California has unmistakable style ... with fresh, refined, modernistic lines ... while still maintaining a classic feel. User-friendliness was a top priority in the design, which resulted in a smart, well thoughtout layout and details. Cruising in maximum comfort, both at full throttle as well as at anchor, is guaranteed on the 52' California due to its unique hull lines, centrally positioned helm, and all the comfortable seating areas onboard.

Let there be Light!

The 52 California's spacious interior comes with a beautiful, light decor made with smart, maintenance-free materials. All the required functionality you'll need for a pleasant and comfortable stay onboard. The bow seating area can be converted to a bed, for instance, while the single beds under the cockpit floor can slide together to make a double bed if needed. The super strong construction in aluminum dispenses with the need for bulkheads, further enhancing the vessel's flexibility and the amount of interior space.

Safety and Sustainability

Waterdream interior's are designed with extra high backrests to offer maximum ergonomic support. In addition, the seats are a bit deeper so your entire legs are supported. Further, Waterdreams are built in 100% recycled aluminum, the most sustainable method possible.

Hull and Deck Highlights:

- Lightweight and strong marine-grade aluminum hull, cockpit and deck
- Stern garage large enough for a stand-up jet ski or a tender
- Large sundeck cushions (2) on foredeck
- Swim platform with integrated ladder & shower

Cockpit Highlights:

- Striking W-shaped carbon center console and steering wheel
- Bimini top, manually operated, plus winter cover
- Refrigerator, wine cooler, cooktop & sink
- Two large sunbeds, port & starboard
- Esthec flooring on cockpit, aft deck stairs and swim platform

Cabin Highlights:

- Large seating area in forward cabin, converts to a double berth
- Two single berths in aft cabin, plus option for third berth in-between
- Bathroom with shower, sink & toilet
- Galley with sink, refrigerator/freezer, ice maker, microwave and Nespresso machine

Navigation Highlights:

- Volvo Penta (Garmin) 10" Glass Cockpit with electronic controls
- Autopilot
- Garmin AIS & VHF
- Garmin Triducer
- Garmin GPS antenna

Electrical Highlights:

- Rockford Fosgate audio system (4 speakers in cockpit, 2 speakers in cabin)
- LED lighting throughout
- Electric horn
- Engine room ventilation

Propulsion Highlights:

- Twin Volvo Penta D8 IPS 700's with twin-entry turbo and supercharger
- Volvo Penta joystick driving and docking
- IPS pods with twin counter-rotating propellers
- Electronic Vessel Control (EVC) with interceptor system

Safety and Docking Highlights:

- Fire alarm system with sensors in engine room & cabin
- Bilge pumps in engine room, anchor locker and in foreship with alarm on glass cockpit
- Manual bilge pumps in bow & engine room

52 California Production

- Short 20-week build time
- Limited supply remaining for 2021 delivery
