Overview

No Pods

If you are looking for a 54 Sea Ray dancer but don't care for pods, here is your boat! This boat is powered by twin Cummins QSM-11s (715 HP) with around 650 hours and has a joystick as well. It is perfect for a weekend trip to the Bahamas or maybe Block Island, since it has 2 spacious staterooms and large living room area, with a washer/dryer as well. It also is still agile enough for sunset cruises to the sand bar or getting to tucked away shallower areas. In the cockpit area behind the helm, you will see a wet bar with grill, ice maker, and a TV perfect for entertaining. It also has a hydraulic swim platform that allows for a jetski or tender. It is easy to see in Miami and available to be shown at any time. Please call the listing broker for more information.
