## Overview

This 2003 Beneteau 473 is currently on the hard in Deltaville, VA. The current owners of TomsKii Kastan are the second owners. Until 2009, it was the spare boat in a Croatian charter fleet, so had been lightly used. The boat has a 4-cabin, 2-head layout which worked well for providing accommodation for friends and family as well as allowing a LOT of storage. For 12 years the current owners have cruised the Mediterranean, the Algarve, the Atlantic, West Africa and South America, the Caribbean, the Bahamas and the ICW to Deltaville. They are ready to move on to new adventures and want to pass TomsKii Kastan on to a fresh crew.
