“Easy to handle.” “Go anywhere versatility.” “Sheer modern luxury.” The key principles driving the design of Riviera's 395 SUV. Key feature - - the up galley, not belowdecks. Easy flowing access and interaction between cockpit, galley and salon help define Riviera SUV cruising.

New to skippering a luxury motor yacht but at home behind the wheel of a luxury contemporary car? Congratulations. You're ready to take command of your own Riviera 395 SUV. Better still, experienced skippers can look forward to next level of performance, economy and control with the Volvo IPS joystick controls.
