# DETAILED INFORMATION

---

## Overview

---

The 2008 84' Lazzara flybridge motor yacht Living the Dream can accommodate 10 guests in 5 staterooms while additionally allowing for ample crew accommodations aft. Living the Dream has a very generous interior volume providing the feel of a much larger yacht. The many custom options selected during the build process make for the complete yachting package. The full walk-around teak decks offer easy access fore and aft to guests and crew alike. The well-appointed flybridge is complete with a full helm station, generous entertaining space with great views, several seating options, and a full wet bar with bar stools. Opposite the bar is a large hot tub with sun pad top when not in use. As you board Living the Dream, on the aft deck you will be greeted with seating for 8 around a beautiful high gloss teak table. Moving forward, full glass panel sliding doors lead into the luxurious salon. Oversized windows throughout the salon provide an inviting array of natural light. Living the Dream has Lazzara's signature country kitchen with a large settee forward, a great spot to enjoy the views while enjoying meals in the spacious galley. Forward of the galley, a staircase leads to two of the guest accommodations, two staterooms both with ensuite private heads. Midship on the starboard side, a stairwell leads down to the full-beam owner's suite as well as the two VIP suites. The full-beam owner's suite has a spacious head with a beautiful stone shower. Large panoramic hull windows invite natural light into the owner's suite making for breathtaking views while underway. Both midship VIP guest suites are complete with ensuite private heads and full-size berths. The crew quarters made up of two separate staterooms and a common head are accessed aft from the transom. The engine room boasts two CAT C32 engines and a pair of Onan 27.5 KW generators all while maintaining good walk-around access to all components in the engine room.

## Construction

---

- GRP composite construction
- Hand laid, unidirectional fiberglass with vacuum bagged cored hull, deck and flybridge
- Solid fiberglass laminated keel, chine and all hull penetration areas
- Cored, CNC machined reinforced stringer system
- Cored, CNC machined bulkheads and soles Vinylester resin used throughout
- High-performance UV resistant gelcoat

## Main Salon

---

- Custom Italian leather sofa
- (2) Lounge chairs
- Coffee table
- Wood storage cabinet

- Wood window mullions
- Wood valance
- Window treatments
- Full panel sliding glass door to aft deck
- Direct and indirect lighting
- 110v receptacle in the dining area
- Credenza on the mirrored forward bulkhead
- Beveled glass upper storage cabinets with accent lighting
- Oval dining table and (6) chairs
- Overhead ceiling treatment above dining table
- Cabinets

---

## Galley

---

- Skylight
- Wood cabinets and lockers
- Stainless cabinet handles
- Granite countertops
- Stainless steel sink with single faucet and sprayer
- Four burner Wolf electric built-in cook top
- Microwave oven
- Stainless steel side by side refrigerator/freezer
- Stainless steel dishwasher
- 27" Built-in Oven
- Four Sub Zero freezer/crisper drawers
- Telephone connection – next to settee
- Instant hot water dispenser Water filter
- Recessed down lights
- Raised dinette with granite countertop and curved seating for six (6)
- Large storage locker accessed from the top of dash
- (3) Forward windows (windshield)
- Stairwell to the forward staterooms
- AC duplex receptacles
- Built-in pantry
- Stairs leading up to Flybridge

---

## Day Head

---

- Granite vanity top with under-mount sink
- Towel ring
- Wall-mounted mirror
- Wall-mounted soap dish and tissue holder

- Fullsize marine toilet

---

## Master Stateroom

---

- Walk around Lazzara size king bed with storage, innerspring mattress & padded headboard
- Wood nightstands, port and starboard
- Electric Hunter Douglas blinds
- Wood veneered armoires, port and starboard
- Built-in settee
- Desk with seat
- Walk-in closet
- Wood valance
- Carpet
- Fabric wall coverings, removable panels
- (2) Elliptical portlights
- Portlight window treatment
- Direct and indirect lighting
- Receptacles: AC duplex
- Decorative sconces
- Safe in closet
- Separate storage/luggage closet accessed from the closet
- Large TV with DirecTV

### Master Head

- Granite vanity top, with two under-mount sinks
- Wood cabinet with storage drawers and actuator latches
- Medicine cabinet with beveled mirror
- Granite flooring
- Wallpaper wall treatment
- Glass-enclosed full-size marble tub with Jacuzzi feature and shower with (2) shower heads
- Fullsize marine toilet
- Towel bars, tissue holders, wall mounted soap dishes and tumbler holders
- Exhaust fan
- Recessed downlights with switches
- Two AC duplex receptacles with ground fault breakers
- Linen closet

---

## Port and Starboard VIP Staterooms

---

- Queensize walkaround berth with storage beneath and innerspring mattress
- Padded headboard
- Wood corner storage cabinet
- Hanging locker cedar-lined with full length mirrored door
- Carpet
- One elliptical portlight
- Portlight window treatment
- Private access to head (each room has its own head)
- Direct and indirect lighting
- Receptacle: AC duplex
- TV with DirecTV

### Port & Starboard VIP Heads

- Wood vanity with medicine cabinet and mirror
- Marble vanity top with under-mount sink
- Marble flooring
- Shower stall with glass door, and handheld showerhead
- Fullsize marine toilet
- Towel bars, tissue holder, wall mounted soap and tumbler holders
- Wood valance
- Exhaust fan
- Downlighting with switches
- Receptacle: AC duplex with ground fault breaker

## Forward VIP Stateroom

---

- Two bunks (over/under) with storage below
- Wood dresser with storage below
- Hanging locker/cedar lined with mirrored door
- Carpet
- Private head
- Direct and indirect lighting
- Wallmounted reading light
- Receptacle: AC duplex
- Overhead access Bomar hatch to foredeck
- TV with DirecTV

### Forward VIP Head

- Wood vanity with mirrored medicine cabinet
- Marble vanity top with under-mount sink
- Marble flooring
- Shower stall with glass door and handheld showerhead
- Fullsize marine toilet
- Towel bars, tissue holder
- Exhaust fan
- Downlighting with switches
- Receptacle: AC duplex with ground fault breaker

---

## Forward Port VIP Stateroom

---

- Full-size berth with storage below
- Bed base upholstered
- Wood nightstand with drawers and wood top
- Wood veneered storage cabinets with doors outboard
- Wood open shelving, outboard
- Hanging locker/cedar lined with mirrored door
- Carpet
- Direct and indirect lighting
- Wallmounted reading light
- Receptacle
- Opening portlights
- Makore cherry desk with drawers, wood top
- TV with DirecTV

### Forward Port VIP Head

- Wood vanity with mirrored medicine cabinet
- Marble vanity top with under-mount sink
- Marble flooring
- Shower stall with glass door and handheld shower head
- Fullsize marine toilet
- Towel bars, tissue holder
- Exhaust fan
- Down lighting with switches
- Receptacle: AC duplex with ground fault breaker

---

## Crew / Aft

---

- Two staterooms with one common head for captain and crew

- Captain's stateroom has full-size berth with an innerspring mattress
- Crew stateroom has a single berth with an innerspring mattress
- Wood veneered dresser with storage below (port stateroom only)
- Hanging locker
- Direct and indirect lighting
- Fire Zone Alarm in captain's cabin, CO/smoke alarm with a verbal warning
- Fixed horizontal skylight
- Washbasin with mirror
- Headhunter marine toilet
- Receptacle: duplex
- Escape hatch over bed in captain's stateroom

---

## Aft Foyer

---

- Marble flooring
- Washer/dryer laundry center
- Full height linen locker
- Stairway to main salon with polished stainless steel handrail
- Direct and indirect lighting
- Central vacuum connection in stairs
- Wood veneered quarter round cabinet for sculpture with storage below

---

## Forward Foyer

---

- Storage locker outboard
- Carpet
- Overhead lighting
- Central vacuum system in the outboard locker

---

## Deck Equipment

---

### Flybridge Outfitting

- Open Flybridge
- Fully instrumented helm console
- Control for thruster system
- Electronic engine controls
- Hydraulic steering helm station, power-assisted with tilt wheel
- Custom designed 316 stainless steel framed windscreen
- Extensive JL custom audio package
- (2) Stidd helm chairs (one single, one double)

- Access to aft deck via molded fiberglass stairway with handrail
- Stereo/CD player with speakers
- Outboard seating group, split into port and starboard sections with custom wood table for each section
- Peninsula shaped bar with custom wood top, sink, and electric grill on the port side
- Refrigerator under aft bar counter
- (3) Swivel stools at the bar
- Custom Wood counter forward of the bar on the port side with icemaker underneath
- Jacuzzi tub with sunpad lounging area over top of the tub
- Storage for yacht dinghy
- Hydraulic davit with remote control, starboard side concealed into styling line, with telescopic and power rotation features, 1,500 lb capacity
- Stainless steel dinghy chocks convert to aft bridge deck guard rails
- Retractable Opacmare Passarelle, hydraulic, with teak planking, automatic stanchions, IR remote control
- Stem deck capstans Maxwell 24v
- Garmin electronics package

### Main Deck Outfitting

- Anchor and Anchor Handling
- Dual Maxwell electric, vertical windlasses with chain stopper and wash down
- Dual anchor chute, stainless steel
- (2) Stainless steel 80lb anchors
- Completely redesigned twin anchor system (3 chutes) which allows vessel to dock/moore anywhere in the world
- Center chute for Med mooring
- Stbd anchor is 130lb with 250' of 14mm chain
- Port anchor is standard Lazzara 80lb but has 160' of 10mm chain
- Hydraulic swim platform
- Bridge hydraulic davit for launching tender with handheld remote

### Storage Locker Foredeck

- Locker lid with sun pad cushions
- Aft Deck / Transom Outfitting

### Aft Deck

- Docking control station

- Control for thruster system
- Electronic engine controls
- Table with Wood top

- Access to sport transom deck with handrail
- Overhead builtin lighting and speakers
- Access to walk-around decks leading forward
- Teak aft deck & stair treads
- Access to engine room emergency escape hatch
- 120 VAC duplex receptacle with ground fault breaker
- Stairway to the flybridge

### Swim Platform

- Dockside water connection
- Custom hydraulic swim platform
- Freshwater hot and cold shower
- Access to captain and crew quarters
- Access to the shore power inlet

### Deck Hardware

- Ships Air Horn: dual 15" and 18"
- Windshield wiper system 24 vdc/pantograph type
- Bow, spring, and stern cleats, 316L stainless steel
- Stainless 316L steel rails on main deck
- Burgee staff, custom stainless steel, with burgee flag
- Hawse pipes with stainless steel guideposts
- Forward hatch to bow cabin
- Logo, stainless steel
- Sliding fender tracks
- Dual aft deck captains

## Main Machinery

- CAT C32:1650 BHP at 2,300 RPM with water-cooled turbochargers and chrome engine oil filter package CAT electronic engine control and monitoring system
- Engine hours: Port 5,050; Starboard 5,076
- CAT Electronic Control and Monitoring System with controls at pilothouse and flybridge helms, and aft deck docking station
- Drive Train
- Aquamet 3 1/2" 22HS propulsion shafting

- Five (5) bladed, fixed pitch bronze upgraded to Veem propeller
- Dripless shaft seals
- Cutlass bearings Bronze “I” strut system
- Sea Water Cooling System
- Bronze sea strainer with Monel basket for each engine
- American Bow Thruster
- TRAC System (2) FRP stabilizer fins
- Hydraulic 25 hp American Bow Thruster

### Steering System

- Engine power assisted hydraulic steering system
- Stainless steel hydraulic lines
- Custom twin bronze airfoil rudder system
- Stainless steel rudder stocks
- Cast bronze lower rudder bearings and seals with flax packing gland
- Dual joystick controls with alarm & indicator light @ three stations

### Air Conditioning System

- Chilled water air conditioning system throughout vessel
- Every room is equipped with its own thermostat for complete control
- Individual head exhaust fans

### Fuel System

- Single centerline fiberglass (Hetron fire retardant resin) fuel tank with 2,000 US gallon capacity
- Manual and electronic tank level indicators with high-low alarm
- Fuel lines, aircraft type, solid and flexible tubing, stainless steel grade
- Racor fuel filters (main engines)
- Racor fuel filters (generator)
- Stainless steel fuel fill aft

### Lube Oil System

- Lubricating oil change system with DC pump 30 US gallon fresh oil storage tank
- 30 US gallon used oil storage tank
- Quickconnect drain fittings on engines and generators

## Bilge System

- Main bilge, manifold to three bilges
- Bilge pumps, one per bilge compartment

## Black Water System

- 200 US gallon black water storage tank
- Access for pump out
- Waste removal forward starboard side
- Headhunter Head system throughout vessel
- Central vacuum system

## Generator

- (2) Onan 27.5 KW Diesel single phase generators with sound enclosure and control panels
- Generator hours: 9,600 on both
- Engine fitted with alternator and muffler
- Generator Fuel and Water separator exhaust upgrade

## Engine Room

---

- Removable engine room hatch
- Mechanical engine monitoring gauges
- Bronze sea cocks with underwater bronze thru hulls
- Double thermal and acoustic insulation throughout
- White perforated aluminum hull side, bulkhead and FRP overhead panels
- Automatic ventilation system with variable speed forced intake and exhaust
- Compressed air service outlet
- Generator Exhaust upgrade
- Generators soundproofing
- Jacketed, stainless steel and FRP wet exhaust system with idle bypass
- Fire Extinguishing System
- Automatic and manual fire system

## Noise, Thermal and Vibration Control

- All primary machinery & equipment resiliently mounted

- Engine Room provided with double thermal and acoustic insulation
- All living areas acoustically insulated
- Soundown carpet pad used throughout
- Lower deck soles vibration isolated

## Electrical Systems

---

- AC and DC bonding and grounding system
- Bonded metal sea water pipe, valves, thru-hulls, strainers
- Sacrificial zincs anodes on all running rig components
- ASEA power converter

### Navigation Lights

- Forward steaming light
- Port / Starboard side running lights
- Stern running light
- Anchor light
- Exterior stairway lights
- Aft deck, transom and foredeck lights
- Boat deck lighting
- Life raft embarkation lights
- Emergency lighting at each stairway
- GoLight searchlight with dual remote controls

### Interior Lighting

- Nearly all interior lights have been changed to LED
- AC lighting all interior areas
- Vimar switches and receptacles
- Public space lights with DC emergency circuits
- Fluorescent lighting/engine room

### Switchboards, load banks and control panels

- AC and DC master control distribution panel located in engine room with sub panels
- All wire at or above approved MCA specifications
- All cables marked with circuit number
- Wire chase runs throughout

- 100 Amp/220 VAC service 110V outlets throughout boat
- 100' 100 amp, 220 VAC shore cord starboard aft
- Automatic power cord reel
- Isolation transformer
- Full ASEA (Global Version) power conversion unit

---

## Doors, Hatches and Scuttles

---

- Dogged Doors: painted aluminum
- Weather tight engine room access door
- Emergency engine room access hatch
- Foredeck access hatch
- Curved stainless steel aft main salon sliding door
- Bypass sliding cabin deck door

---

## Tender

---

- 14' Novurania 2014 with Yamaha engine 50hp

---

## Exclusions

---

Owner's personal belongings.
