## Overview

---

New Bottom Paint & New AC Units

A very well laid-out two stateroom boat with a very large master stateroom and two heads. A great deck layout with a large aft cockpit. Constructed with a solid fiberglass hull and a wide 14'2" beam. Add wide side gangway decks and access doors on both sides of the cabin and you have a winning design for a great trawler.

This DeFever is powered by twin Perkins Diesels and includes an Onan 7.5 kW diesel generator.

Call for an appointment today.
