## Overview

---

This custom Cougar Wildcat is one of its kind. This Wildcat can take up to 52 passengers for dip in the water or even a sunset cruise. If the passengers want to just go FAST, this Wildcat can do that as well. I can totally see this boat in key west, FI taking passengers sightseeing all around the key, or even along the river in Chicago for for an architecture and building tour. This is a one of a kind opportunity for the right buyer.
