# DETAILED INFORMATION

---

## Overview

---

MERLIN is an Alen 45, built by Turkish yard ALEN YACHTS in Istanbul. MERLIN is a sleek, simple, and attractive walkaround day-boat that maximizes the use of exterior space; it is for the boater who would rather experience the sea than feel confined. High bulwarks will keep passengers secure and protected from spray, and the V-shaped hull is designed to ensure steady cruising in all conditions. Twelve guests can fit comfortably on board and will be well accommodated by the alfresco dining area and wet bar. There is ample space on the front and aft sunpads.

Quality is certainly emphasized in this boat, with everything except the glass done in-house, from teak to custom stainless-steel hardware. One example of this is the half-inch-thick teak decking rather than the more standard quarter-inch and a strong sandwich hull with AIREX foam further contributes to sound control. Every Alen is a custom handmade product with a fit and finish that is second to none.

The boat is powered by two 440-horsepower Yanmar diesel engines coupled with Rolls Royce water jets providing a comfortable and vibration-free ride. The 6.6Kw Mase Marine generator with built-in sound shell provides sufficient power to run all of the boat's amenities. The MERLIN has an air-conditioned helm and cabin, a hydraulic swim ladder, and a full wet bar with BBQ. MERLIN has been built to US specification (220v/60hz). If you're looking for a sexy, high-quality, easy-riding boat, contact us to arrange your showing of MERLIN.

## Key Features

- US electrical specifications (220v/60hz)
- Seakeeper SK5 stabilization and upgraded 6.6Kw Mase Marine generator
- Shallow draft (Jet Drive)
- Rolls Royce water jets with Roccs controls
- Air-conditioned helm station
- Hydraulic swim ladder with teak steps
- Underwater lights
- Fusion sound system
- Fully serviced February 2021

---

- 12 Lt Ice Maker
- Electric stove

## Navigation Equipment

---

- Custom made dashboard
- Engine display
- S/S buttons
- Steering wheel
- Navigation lights
- Searchlight
- Throttle set
- Electric horn
- Compass
- Mast

## Mechanical Equipment

---

- (2) Yanmar 6LY440 diesel engines, 440hp
- Engine hours: 428 (May 2021)
- Rolls Royce water jets (2)
- ZF Gearbox
- Fuel filter (2)
- Exhaust system
- Engine room ventilation natural inlet and exhaust fans

- Engine room automatic fire fighting system
- Fire extinguisher (2)
- Engine room hatch (2)
- Boiler (40lt)
- Fresh & black water tanks w/ digital indicators
- Fuel tank w/ digital indicator
- Bilge pump & floater (4)
- Noise and fire insulation
- Shower pump
- Interceptor's w/ control
- Sound insulation

---

## Electrical Equipment

---

- Custom electric panels
- Engine battery (2)
- Service battery (2)
- Battery circuit breaker
- Battery charger (Victron)
- Mase Marine 6.6Kw generator in sound shell
- Generator hours: 435 (May 2021)
- CE certified marine type electric cables
- Shore connection plug, inlet & cable
- Cabin switch and outlets
- IP 65 LED interior & exterior lighting
- Grounding plate
- Cabin switch and outlets
- US specification electric installation

---
