DETAILED INFORMATION

INTRODUCTION

Preliminary Listing. More details to follow.

MYSTIC is an exceptional bluewater cruising boat equally at home crossing oceans as she is gunkholing up and down the US East Coast with her shoal draft and ICW-height mast and versatile double-headed rig with self-tacking jib. Her designer, Rob Perry, is world renowned for creating capable sailing yachts of the highest caliber, and the Passport 515 MYSTIC is an excellent example of his work and her class.

MYSTIC has so much going for her, not the least of which is her condition. The owners have kept the yacht updated and in truly excellent condition - both in terms of cosmetics and functionality - by maintaining the yacht without regard to cost. And it SHOWS! This boat sparkles from her bilge bottoms to her mast top.

A better layout for long-distance bluewater sailing or live-aboard cruising you will not find in this size range, whether we are talking about the rig design; the cockpit with side walk-thru's and hard dodger; the abundance of storage; on-deck lounging areas aft; the two amazing cabins with large heads and separate showers; a HUGE custom navigation/work station perfect for today's remote work scenarios; best-in-class headroom with modern 'raised salon windows'; the galley (featuring easy to access refrigeration and freezer spaces, plenty of working counter tops, a household-sized Microwave/Convection oven, trash compactor, or the exceedingly comfortable main salon with bar area and a bonus standup Isotherm refrigerator, perfect for grabbing drinks without bothering the chef. And there is more, plenty more: A walk-in engine room; substantial arch for antennae with davits to carry the tender; push-button sail handling with electric winches and electric in-mast furling; a low maintenance exterior and a recent brand new Yanmar diesel engine.

The Passport 515 is a modern yet classic yacht. Practical in every respect, an incredibly versatile design which stands alone in our view on multiple fronts. MYSTIC is a must-see for any discerning buyer looking for an impeccably kept boat with low hours in turn-key condition ready for her next set of adventures!
