SPECIFICATIONS

Overview

TNT has been enjoyed by an owner who cares for her as a family member: attention immediately when needed and the financial resource to make sure everything was done perfectly.

She is a unique opportunity to enjoy a yacht that performs better than brand new out of the factory. 2 Volvo Penta IPS, 600 with a combined 870 HP, will take the Air Step 2 Hull to exhilarating speed efficient fast cruising. Maneuvering with the IPS Joystick control could not be easier, and to cheat, there is also a Yacht Controller.

Very low hours and still under hull and engine warranties.

DETAILED INFORMATION

Manufacturer Provided Description

The Gran Turismo 46 is the latest generation of sport cruisers and benefits from Air Step® technology. This is a stylish and harmoniously designed boat with a bold sporty look. She boasts a clever layout and offers lots of opportunities for personalization.

With her elegant sporty line, the Gran Turismo 46 combines a completely open hardtop, electrically operated side glazing, and a wide glass door that protects the cockpit. A perfect combination between protection and clear space, she offers two possible deck plans: after galley or galley in the cockpit. For the first time, the latest generation of planing hull offers a choice between a Volvo IPS 600 or a Z Drive engine, allowing up to 2 x 400 HP. Both safe and perfectly maneuverable, this model promises immense pleasure at the wheel.
