SPECIFICATIONS

Overview

"**Pilot**" has been lovingly cared for by her current owners. She is turn key ready for her next owner to enjoy. Current owners just took delivery of their dream Trumpy and sadly will be leaving "Pilot" in their wake.

In 1976, Fairchild Yachts commissioned noted power boat designer- Ben Oslund of Newport Beach, California to design a 30 foot raised deck cruiser in the classic style. A great deal of research and careful calculations resulted in the **SCOUT 30**, a vintage motor yacht with some valuable improvements, and carefully thought-out innovations.

The **SCOUT 30**, powered by the reliable Perkins 4-108 diesel, will deliver 20 mpg at 8 knots and will cruise for 1,000 miles, without refueling, on 100 gallons of fuel. 2000 lbs of ballast provide superb ultimate stability and the soft bilge sections remove the uncomfortable 'snap roll' experienced on hard chine yachts.

The **SCOUT 30** is an excellent sea boat: dry and comfortable. She is quiet under power, both in the cockpit and in the saloon. Extremely efficient, the **SCOUT 30** is obviously a good idea whose time has come...again.

Basic Information

Category: Motor Yacht

Sub Category: Pilothouse

Model Year: 1979

Year Built: 1979

Country: United States

Dimensions

LOA: 30' 0" (9.14m)

Beam: 9' 6" (2.90m)

Max Draft: 2' 4" (0.71m)

Speed, Capacities and Weight

Cruise Speed: 8 Kts. (9 MPH)

Cruise Speed Range: 1000

Water Capacity: 52 Gallons

Fuel Capacity: 100 Gallons

Accommodations

Total Cabins: 1

Total Heads: 1

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 1

Manufacturer: Perkins

Model: 4.108

Engine Type: Inboard

Fuel Type: Diesel

Vessel Updates

Current owner purchased the vessel in October of 2016. At that time, the reported engine hours were 700 hrs and 373.3 showing on the hour meter. The current owner has only put 139 hr on her since then.

Prior to delivery, Danisel Marine Services was contracted to address any survey deficiencies and also service the boat stem-to-stern. The following items are worth noting but not the entire list:

- Install NEW 110V 30 amp vessel wiring and NEW 110V Panel and Galvanic Isolator
- Replace the Automatic Fire System
- Repack and Adjust Rudder Stuffing Box

- Replace Cutlass Bearing
- Check and True Prop
- Service Engine and Transmission
- Replace Perkins 4108 Injectors

Oil changes and engine service has been completed annually and last service was completed in March 2021.

In December 2016, all screws in the brass rub rail were removed, holes filled with epoxy, and refastened by Cable Marine.

In February 2019, the mahogany section of the deckhouse was rebuilt by Cable Marine.

The full Eisenglass enclosure and hatch covers are NEW and were installed in April 2021.
