## Overview

---

Just Us II is a unique Classic 289 2004 Bayliner Hardtop with plenty of extras for the comfort and style you want. What sets her apart from the norm is her amidships berth (located beneath the bridge deck), an arrangement that brings sleeping capacity to six. A privacy curtain separates the forward berth from the salon, and there is a handheld shower in the head compartment. Sporting a 270 HP engine she works very well as a skiing boat, fishing boat, weekender or a Chesapeake Bay cruiser for you and your family. The single engine MerCruiser I/O is set up so you can be in very shallow water.

The well-equipped galley with plenty of custom storage along with, special screening, bimini coverage on the stern, custom design first mate seat, hatch in the helm area, are just a few of the extras. The well-maintained engine and structure by a retired airplane mechanic shows. She is ready for the next trip!
