## BROKERS COMMENTS

---

In 2011, AMAZING GRACE underwent a significant refit which included a complete exterior Awlgrip paint job, custom aft bench seat, adding a swim platform, and all new interior and exterior cushions. Located 5 minutes off I95 in Stonington, CT, a showing will not disappoint.

## OVERVIEW

---

AMAZING GRACE is an Iconic Wasque 26. She has been stored inside heated and serviced for years by the renowned Dodson's Boatyard in Stonington, CT with a significant refit in 2011 and a good number of recent improvements including installation of a bow thruster; updated Garmin GPS plotter; rebuilt transom seat and a second set of aft controls with tiller steering; new exhaust tube, rudder packing, custom heat exchanger, etc. Her Awlgrip painted Flag Blue topsides are in nice shape as is all of the exterior varnished teak- of which there is plenty. A recent fiberglass swim platform; 2 position backrest on the engine box seat, Bimini top, opening ports and hatches, a teak bow pulpit with anchor roller- are just a few of the notable options.

The interior features a V-berth, fully functional head with teak drop-down seat and settee cushion, sink (no working faucet at present) and cabinetry along with opening ports and a large hatch for natural light and ventilation.

The Isuzu Diesel engine has been well-maintained and has always run great.

A sweet running boat that just looks right from every angle. Well loved by her current owner, who has moved up to a larger boat. AMAZING GRACE is seriously offered for sale and conveniently located just off of I-95 on the RI/CT border inside a heated and well-lit storage building.
