ПОДРОБНОЕ ОПИСАНИЕ

Basic Description

SHOWTIME presents a rare opportunity to move into the most sought after cruising brand on the market. With an almost two year wait for a new build, this captain maintained and no expense spared Fleming is undoubtedly the way to go! SHOWTIME is every owner/operator's dream come true.

The Fleming 65 was introduced in mid-2005 in response to a strong demand for an intermediate Fleming between the 55 and the 75. Her layout is very similar in concept to the 55 but the 65 with a displacement almost 70% greater offers much more interior and deck space than her smaller sibling.
